

# **2012 Santa Fe County General Obligation Bond Election**

**Tuesday, November 6<sup>th</sup>, 2012**

**Dear Santa Fe County Citizens,**

**On July 31, 2012 the Santa Fe County Board of County Commissioners adopted Resolution 2012-89 directing that three Bond Questions be presented to Santa Fe County voters as part of the November 6, 2012 general election. The three Bond Questions ask County voters if they would like to fund up to \$35 million for capital infrastructure projects in the following areas: roads, water and wastewater, and open space, trails, and parks. Voter approval of the bonds is not expected to significantly impact County property tax rates because previous bonds are being paid off. I urge Santa Fe County residents to educate themselves about the purpose and content of the Bond Election and be sure to vote on November 6<sup>th</sup>.**

**Sincerely, *Liz Stefanica*, Chair  
Board of County Commissioners**

### **Background**

County Commissioners selected the three capital project categories for funding based on citizen input received (public meetings, one-on-one communication with constituents, a public opinion survey, etc.). In July 2010, a County "Priorities Survey" asked "What are the biggest issues facing the residents of Santa Fe County at this time?" The #1 response was "Roads/streets not kept up/are in bad shape." And the #2 response was "Water shortage/supply". In response to another question, 68% of survey participants ranked parks and recreation services as High or Very High.

***It's your taxes at work! Be sure to vote on Tuesday, November 6<sup>th</sup>. Absentee voting begins October 9<sup>th</sup> and early voting starts October 20<sup>th</sup>.***
